

## 12.0 Next Steps

The recommendations from Phase II were passed by the CCPE Board of Directors on May 14, 2004; Phase II is scheduled for completion at the end of November 2004. From mid-May until November 30th, the CCPE will meet with a number of key stakeholders to determine what role they see for themselves in implementing the recommendations. Through meetings with a number of stakeholders,

CCPE will gather opinions and information so as to determine which recommendations will be led by the profession and which will be spear-headed by other organizations. A proposal for Phase III funding, which will include the consultation report detailing the work done over the summer and fall, is expected to go to Human Resources and Skills Development Canada in late fall 2004.
